

PC Mount Relays

* All relays are UL, CSA approved

9277B-ND Aromat Relay Guide\$2.95

Aromat's T-Series is a family of compact, high sensitivity relays that combine all the relay technologies accumulated over the past 20 years.

T-Series relays are widely used in communications, instrumentation and control interface equipment.

The proven quality of our T-Series relays will be maintained because of our commitment to cutting edge technology and a willingness to listen to our customer needs.
